Lyle Haring, Iowa Beef Producers Association

Auctioneer: J. E. Halsey, Des Moines, Iowa

ALBERT J. HAMANN, SALE MANAGER

Rock Rapids, Iowa

GENERAL INFORMATION

LOCATION — This sale is a complete dispersion. Many cows will sell with calves at foot. Due to the large number to be sold, the sale will start promptly at 12:30 p. m. Central Standard Time on Saturday, May 2, 1953. Sale will be held at the Clay County Fair Grounds, Spencer, Iowa. The Fair Grounds is located in the Northwest part of Spencer, 4 blocks west of U. S. Highways No. 71 and No. 18. Spencer is on the main line of the Milwaukee Railroad.

TRANSPORTATION — The sale headquarters will be at the Hotel Tangney, Spencer, Iowa. Accordingly, we suggest that those travelling from a distance should make reservations in advance. Also, several first class motels are available. For those arriving by plane, arrangements can be made to meet Braniff Airline flights either at Sioux City, Iowa, or Sioux Falls, So. Dak. Northwestern trains can be met at Sheldon, Iowa.

INSPECTION — All cattle may be inspected at any time at the Clausen farms up to three days prior to the sale. One farm is on the West edge of Spencer from where you will be directed to the other two. The cattle will all be moved to the Clay County Fair Grounds approximately 3 days before the sale and may be carefully inspected there, and any information will be gladly given.

TRUCKERS — Reliable truckers will be available and we will assist in securing trucks at reasonable prices.

AUCTIONEER — J. E. Halsey, Des Moines, Iowa.

SALE MANAGER — Albert J. Hamann, Rock Rapids, Iowa.

MAIL BIDS — We want you to come to this sale in person if it is possible for you to do so because this herd must be seen to be fully appreciated. If such a trip is not possible, however, you may send mail bids to any of the following reliable men:

ALLAN C. ATLASON, Sec'y, American Shorthorn Breeders Assn., 7 Dexter Park Ave., Chicago 9, Illinois.

ALBERT J. HAMANN, The Shorthorn World, Rock Rapids, Iowa.

CLEM LARSON, Fieldman, American Shorthorn Breeders Assn., Callender, Iowa.

THOS. W. SHERLOCK, Wallaces Farmer & Iowa Homestead, Oxford, Iowa.

ARDEN AEGERTER of Omaha Journal Stockman, Seward, Nebraska.

J. E. HALSEY, Auctioneer, Box 1317, Des Moines, Iowa.

Last minute mail or message to any of the above should be addressed in care of Homer Clausen, Spencer, Iowa. PHONE 1500W.

In the Shorthorn industry when the thought of a practical producing Shorthorn operation that supports itself and its breeders comes to mind, naturally, everyone thinks of the Clausen Brothers herd. Therefore, it is hard to realize that this great herd is being dispersed.

However, since it is a question of business necessity because a partnership must be dissolved, such is the case.

It has been my privilege to know the Clausen Bros., and their herd nearly as well as I would know my own for over a quarter of a century.

From the time we both started showing cattle on a county fair circuit in the late twenties, on up to the present time, theirs has been a story of phenomenal progress.

The herd was started by their parents forty-five years ago and has been built on a sound footing. The foundation females had been selected for individuality and the best of Scotch pedigrees. Bulls of the highest caliber and best of breeding were used.

However, it required the combined energy and initiative of Homer, Floyd and Arlan to develop the potentialities of this sound foundation.

Thus, when they had the good fortune to purchase GOLDFINDER'S CHAMPION that went on to win the Grand Championship of the 1941 International, the herd was ready for just such a sire. When the first calves were shown the reports of Clausen Brothers winnings at major fairs and shows began to appear. The sale reports of top sales began to chronicle the top prices they received. Top breeders were anxious to obtain seed stock from a herd that produced champions and tops under average farm conditions, and were bred, fed, exhibited and sold by their breeders. In 1946 they showed an International Grand Champion and in 1947 a Reserve Champion Female by this great sire. Also at the 1947 International at Chicago they won eleven blue ribbons which was more than had been won by any one breeder up to that time in the history of the International.

In 1949 they purchased KILLEARN MAX JUGGLER. Again they showed this bull at the National, Eastern National and International shows, and he was the undefeated Grand Champion in all three. Used on the Goldfinder's Champion females this bull has sired many tops and winners. Their equally great records are described through the information and footnotes in this catalog. Also, this great Champion will pass through the auction ring, and fortunate indeed will be the successful high bidder on this great bull.

Truly this is the dispersion of the year, and the once-in-a-lifetime opportunity. Herd bulls such as these cannot be bought every day, and where also would you be able to bid on uniform groups of females such as the 24 daughters of Goldfinder's Champion, and 17 daughters of Killearn Max Juggler, both sires that were International Champions.

If you will study the footnotes you will realize that the descriptions are factual production records and not just glowing attributes of the writer. Clausen Bros. have always been fair and generous in their Shorthorn business transactions, and their friends are legion.

We all regret to see them leave the Shorthorn ranks but hope that individually they will again be constructive breeders in the not too distant future.

However, I strongly urge every one interested in Shorthorn cattle to avail himself of the opportunity to buy the Cream of the Shorthorn Breed offered here.

ALBERT J. HAMANN, SALE MANAGER

TERMS AND CONDITIONS

1. The terms of this sale are cash. Each animal will be at purchaser's risk as soon as bid off, but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge but at the purchaser's risk of loss or injury.

2. All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bangs disease tests within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory. Calfhood vaccination has been practiced for many years in the herd.

3. Certificate of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and an application will be furnished for every calf at foot and every calf carried in dam.

4. The Clausen Herd is backed by an enviable reputation gained through good management and honest business practices. The pedigrees are correct and the cattle are healthy.

Nearly every cow in the herd either has a calf at foot or shows every evidence of being well forward in calf. As this is a dispersion sale, no guarantee will be given except in the case of the senior herd bull, Killearn Max Juggler. The owners will guarantee Killearn Max Juggler to be a breeder if he is not allowed to run with the herd and if he is maintained in as good condition as when purchased. In case he fails to prove a breeder, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case Killearn Max Juggler fails to meet the guarantee and the disposal of this animal will be at the option of the seller.

5. The above terms constitute a joint contract between Clausen Bros., the sellers, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.

6. Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

It was a hard decision for each one of us, individually, and collectively, to finally decide to disperse our Shorthorn herd.

We love Shorthorns, and Shorthorns have been good to us. Ours has been a family project from the time our parents bought their first registered Shorthorns forty-five years ago, to the time we three brothers took over the herd in the thirties, and on through to the present time.

However, in the natural course of events as partnerships become more involved under present day problems of operation, we find it necessary, and for the best interests of all involved, to dissolve our partnership which has been a long, happy, and successful one.

This brings up the problems of our Shorthorns. The reputation, show and production records of so many of these animals are such that it is nearly impossible to arrive at a true and fair value of these for division purposes.

Therefore, for the sake of business necessity, it is our regrettable lot to leave the ranks of Shorthorn breeders for the time being, although it is our fond hope that someday we may be back.

We disperse this herd with the hope and confidence that these superb cattle in the hands of leading Shorthorn cattlemen throughout the nation will continue their contribution toward the improvement of the breed.

In regard to the herd, we regret to see our champion sires and our great brood cows that have produced so many of our champions go. Also, we hate to part with the beautiful young females we had intended to place in the breeding herd. We will miss our Fairy Queens, Marigolds, Augustas, Claras, Barmpton Leafs, Princess Royals and other great producing families.

The herd has been very closely culled and is at the peak of production. A study of the catalog will show all the calves at foot, the cows and heifers right at calving or safely settled with long breeding dates. Those with shorter breeding dates have been examined by a competent veterinary. Periodic tests for T. B. and Bangs have been run on the herd which passed nearly 100% clean test just prior to cataloging, and another official test will be given within thirty days of the sale so health certificates to ship anywhere can be furnished.

Due to the above careful selection, culling and testing, we feel that nearly every animal carries its own guarantee. We do not wish to go into a lot of glowing descriptions because we feel that our records in all the major shows, and top sales is well enough known, and the factual information given in the footnotes is a true record in itself.

Nevertheless, we sincerely believe that the herd is at its peak in quality and numbers, and this sale will present an opportunity for buyers to reap the benefit of years of constructive breeding.

The type, ancestry and records of performance of nearly all these animals is such that it would have assured their permanent possession in our herd were it not necessary to disperse.

We sincerely hope that all our many friends in the Shorthorn fraternity who it has been our pleasure to meet, and all our other friends and those interested in good Shorthorns will feel this is no ordinary occasion, but something special. We hope they will be with us on sale day and take home some of these animals we can honestly recommend.

GOLDFINDER'S CHAMPION—The 1941 International Grand Champion bull. A bull that made the dynasty of the Goldfinders famous. Through nearly twelve years of service this bull proved to be as great a sire as he was a champion. He gave to the herd and the Shorthorn breed deep bodies, short legs, thick flesh and feeding ability. He proved a sire of many show winners, the most prominent which were a 1946 International Grand Champion and 1947 Reserve Champion female. Three 1947 International first prize winners, a 1948 Denver Grand Champion female besides, many bull and female champions at State and District show and sales which will be mentioned in footnotes throughout this catalog. One two-year old son and 24 of this famous bull's daughters sell in this sale.

C B GOLD MAX 4th—This was one of the greatest bull calves ever dropped on Clausen's farms sired by the 1949 International Champion, Killearn Max Juggler, and out of C B Marigold who was sired by the 1941 International Champion, Goldfinder's Champion, out of a Marigold family, which had been one of the very best producers in the herd. The development of this calf was watched with great interest. He developed as we hoped he would and had every right to. We had every intention to retain this bull as a herd sire. However, at a long figure we were persuaded to part with this great young bull by AK-SAR-BEN ACRES OF OMAHA, NEB. Before selling this bull he had been used heavy in the herd. Several of his calves are here and they are wonderful prospects as you will see sale day. Many more cows will have calves by him or will be well along in calf by sale day. The get and service of this bull will certainly be an attraction.

CLAUSEN BROS. SHORTHORN DISPERSION SALE

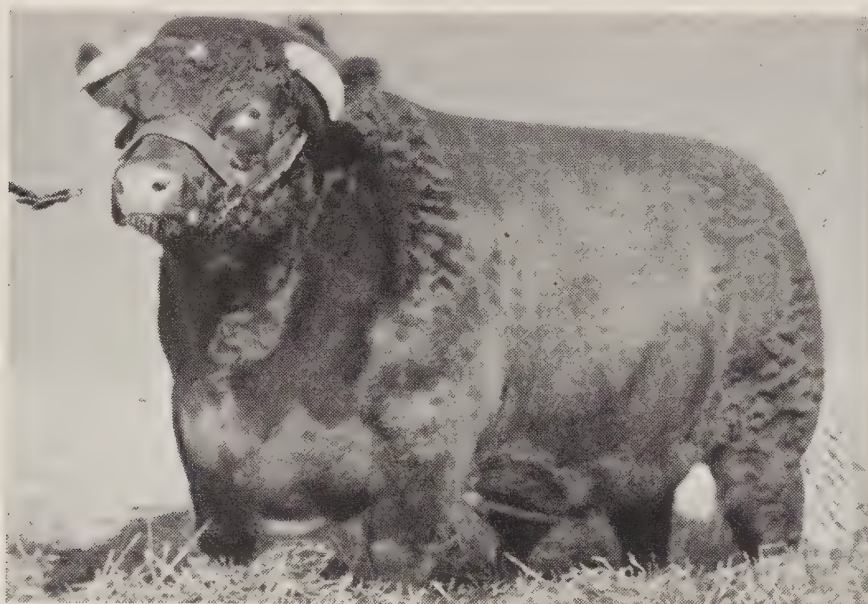

First Prize Get of Sire at the 1952 Denver and Fort Worth Shows, sired by the International Grand Champion, Killearn Max Juggler.

The undefeated champion, Killearn Max Juggler, by the noted Killearn Max 5th has proved to be as great a sire as he was a show bull. Before being shown he saw heavy service in the Lewis Thieman & Son herd at Concordia, Missouri. While there he sired many top Polled winners, among them being the Grand Champion Polled Shorthorn Bull at the Illinois and Missouri State Fairs in 1952. Another son sired the 1953 Omaha Polled Shorthorn Champion Bull. Then in the Clausen herd, some of the top winners he sired were the 1951 Denver Reserve Champion female, the 1952 Denver, Fort Worth and South Dakota Reserve Champion Female, and the 1952 Denver, Fort Worth, Iowa and South Dakota first prize get of sire, the 1952 Iowa and South Dakota Grand Champion bull, and the top female in the 1953 Fort Worth Sale, besides many other State and District Fair and Sale Champions, winners and tops.

Four top bulls by him sell, in addition to the following 17 outstanding choice females that are offered. Many of the calves at side are by him and many more females are carrying his valuable service. Truly it is only in dispersions that the uniform get of a famous sire in numbers such as this can be purchased.

KILLEARN MAX JUGGLER—1949 International Grand Champion, one of the great show bulls of all time. He was never shown until he was a two-year-old in 1949 when he made a clean sweep of three major shows and was named Grand Champion Bull of the National Shorthorn Show, Kansas City, Missouri, the Eastern National Livestock Show, Timonium, Maryland, and the International Livestock Exposition, Chicago, Illinois, where he further added to his brilliant record by being awarded the British Challenge Cup as the best Shorthorn exhibited at the International. Since making this great show record he has been an equally great sire, the record of which is enumerated on following pages. He has given his get and the Shorthorn breed good heads, thickness, uniformity, style and balance. Now in his breeding prime and still retaining his show yard form, this great sire and popular champion is offered to the highest Bidder, a guaranteed breeder, sound in every way. It is a buyers opportunity that seldom occurs.

GOLDFINDER'S COMMAND—One of the good sons of the 1941 International Grand Champion, Goldfinder's Champion, that we retained as a herd sire to follow his illustrious sire. His dam, Calara Gloster 8th, was by the noted Edellyn Grand Command whose daughters have proved to be great breeding cows. This bull has the things we like in a beef bull. He is good headed, exceptionally deep, extremely short legged with a wealth of natural fleshing. This dark red two-year old stood fourth in the 1951 National Show at Omaha and was fourth prize senior yearling in the class from which the Grand Champion came in the 1952 International. Some of his calves are here with more to come. A real summer yearling show prospect heifer by him sells in this sale. Here again, is a dispersion opportunity to get a tried and proven Goldfinder bull that is ready for heavy service and should have further use in a good herd.

EDELLYN ROYAL LEADER 161st—This outstanding bull is one of the first to be offered for sale by that sensational show bull, Edellyn Royal Leader 114th. His first calf topped the Edellyn Sale at \$4,900.00 going to Carson Gibson of Houston, Texas. We purchased the dam of this calf in the 1951 Edellyn Sale and she has developed into a cow any cattleman would like to have. She also sells in this sale so that you may see for yourself. You will like the near perfect head, balance, bone, ruggedness and fleshing qualities of this bull, backed by the most potent blood in the country . . . the Royal Leaders, Mercurys and Goldfinders. We like this bull so well that we have used him some in the herd. Several of the females will be safe in calf to him. A real herd bull opportunity.

VIOLET'S PRINCESS 123d—Is a grand heifer that is good headed, deep, thick, smooth and well balanced. She was a valuable member of our 1952 show herd, and was a first prize summer yearling at the Sioux Empire, South Dakota State, and Iowa State Fairs. Also stood third in class at the 1952 International and 1953 Denver Show. She was reserve champion at the South Dakota Fair. Since we had intended this heifer for our 1953 show herd, we delayed breeding her. However, she will be bred before sale day to C B Grand Max, the first prize junior calf of the Iowa, South Dakota, and Sioux Empire Fairs. This is a valuable female that should go to a top herd.

C B GOLDIE—A really good heifer that we had the misfortune with to lose her first calf of pneumonia this winter. Bred Feb. 27th to C B Grand Max, our prize winning junior bull calf.

CLAUSEN BROS. SHORTHORN DISPERSION SALE

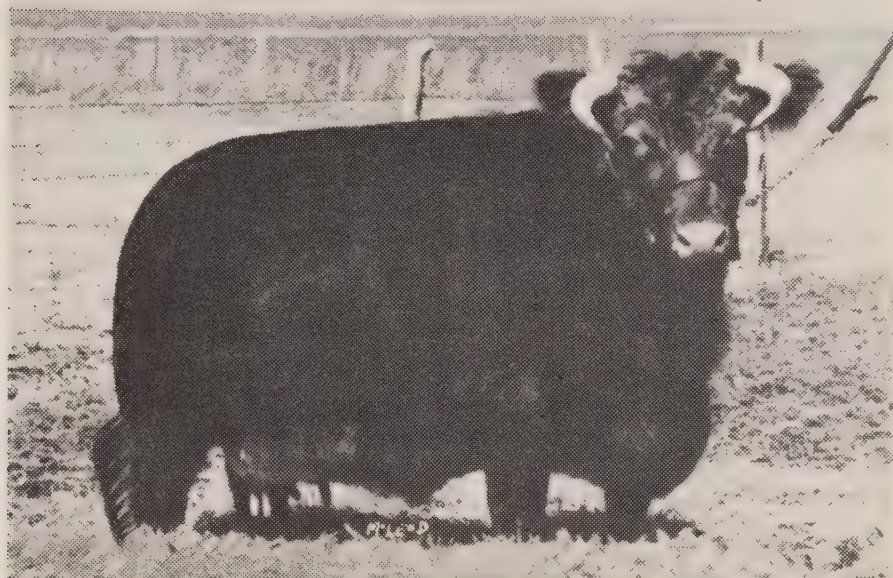

BROADHOOKS MAID 20th

By the 1941 International Champion bull, Goldfinder's Champion, Undefeated 1946 Grand Champion female including the Illinois, Iowa and Missouri State Fairs, the American Royal at Kansas City, and the International Livestock Exposition at Chicago. Sold at 1946 Congress female sale top of \$4,700.00 to Cherry Hill Farm, Reistertown, Maryland.

This above great heifer spoken of by the late WILL JOHNSON in his International Show report as "a heifer as near perfection as one would wish to see" is only one of the many great females sired by Goldfinder's Champion. The record books of State Fairs and National Shows are studded with winnings of his get. One of the outstanding attractions of this sale are the following 24 daughters sired by him. Great brood cows, every one of them, each with a production record of her own. Only in dispersions can cows such as this be purchased.

FAIRY QUEEN 51st—This is a great cow in her own right. She is a descendant of the original imported Fairy Queen cow with which the Clausen herd was founded 45 years ago. This cow is the dam of one of the top females in the 1949 Eastern National Sale which produced a winning show heifer for Hi-Ho Farms in Maryland in 1952. She is the dam of the rugged young bull, C B Gold Max 12th that sells in this sale, and her last calf is being used as an outstanding prospect in a 4-H club project. This cow was bred to the champion, Killearn Max Juggler, on Jan. 3.

AUGUSTA 117th—Here is a young cow that would never be for sale if the herd was not being dispersed. She is out of the same dam as Augusta 115th, the 1947 International reserve champion female, and as Augusta 116th, the first prize junior yearling in 1948, and the first prize two-year-old in 1949 at the International. This is a real producing Augusta family. Here is a chance for a sound investment because she has at foot a September calf that is a show heifer by the 1941 International Champion, Goldfinder's Champion, and she was re-bred to Killearn Max Juggler, the 1949 International Grand Champion on Dec. 8th. It would indeed be difficult to find more championship breeding than this combination.

EDELLYN AUGUSTA 37th—A good heifer that we purchased in the 1951 Edellyn Sale which has developed into a wonderful cow. If you will study this pedigree you will find that it has about as much Calrossie breeding as you will find. Note the number of times it traces to the great Calrossie Control. We bought this heifer for a foundation cow, and only because the herd is being dispersed is she offered. She is the dam of the good young bull, Edellyn Royal Leader 161st that sells. She is the kind of cow that will increase his value. She will calve by sale day to the service of that thick beef bull, Goldfinder's Command. Not many breeding cows of her caliber can be bought.

LADY CLARA OF CALARA 2d—Although carrying a little age, here is a cow we hate to part with. Beautifully bred with a straight Marr Clara pedigree she has produced many of our tops. She is the dam of Lady Clara 6th that was the first prize junior yearling in the 1947-48 show season at the Eastern National in Maryland, Denver and Fort Worth, and was fourth at Chicago. Two good daughters sell in this sale. May calve by sale day to the service of Killearn Max Juggler.
